

IRS Hold Time Slasher

Andrew Valiente

After spending dozens of hours on hold with the IRS I had enough. I applied my MIT education and built Call EnQ, a system that literally slashes IRS hold times from hours to 3 minutes or less. It is like a Disney Fast Pass for the IRS.

Tired of endless IRS hold music?

EnQ connects you to an agent fast.

Frustrated by IRS disconnects?

EnQ's patented system is trusted 1000+ Tax Professionals.
